Nationality: Nepal

Experienced working with teams to produce impactful, leading-edge websites that engage customers and deliver business results. Well-versed in design standards and user preferences.

My goal is to create seamless and intuitive user experiences while crafting visually appealing interfaces. With proficiency in React and Next.js, I can seamlessly translate UI designs into interactive and dynamic web applications, ensuring they are fully responsive across various devices.

I am excited about the opportunity to contribute my skills and passion for UI/UX design in a dynamic environment that values innovation and user-centric approaches.
